

How to create a “Partial Results” indicator

A user can create a “Partial Results” indicator for their previously saved reports or for future ad-hoc reports. An example of the “Partial Results” indicator from the Public area is displayed below.

The screenshot displays the ACE Secure Data Portal interface. The browser address bar shows the URL https://ace.cbp.dhs.gov/RPT/BOE_ACE/BV. The page title is "ace secure data portal" and the user is logged in as "Mark Jungers". The report title is "AR-007 Periodic Statement Detail - Importers".

The report content includes the following text:

AR-007 Periodic Statement Detail - Importers

Filter Code(s) --ALL--
Port Code(s) --ALL--
Importer Number(s) --ALL--
Status: Open
Payment Basis --ALL--
Monthly Statement Number(s) --ALL--
Daily Statement Number(s) --ALL--
Periodic Monthly Statement Date between and

Duty	Tax	ADD	CVD	Fees	Total

Monthly Date Total

Importers

The list pane is updated.

The following are the steps a user would need to follow to create their own “Partial Results” indicator.

Open the report in “Modify” mode. Click on the “Report Element” menu tab at the top of the screen and then the “Cell” sub-menu located beneath the “Report Element” menu. Click on the “Blank” choice and the mouse will change to a + symbol. Move the mouse to the report and click. This will insert a “Blank Cell”.

Click on the new cell and then insert the following formula into the formula box and hit ENTER which will validate the formula.

=If(DocumentPartiallyRefreshed(=0;"";"PARTIAL RESULTS")

- File Code(s): --ALL--
- Port Code(s): --ALL--
- Importer Number(s): --ALL--
- Status: Open
- Payment Basis: --ALL--
- Monthly Statement Number(s): --ALL--
- Daily Statement Number(s): --ALL--
- Periodic Monthly Statement Date between 4/24/2014 3:10:31 PM and 4/24/2014 3:10:33 PM
- [Return to AR007 Importer.](#)

The report also contains two tables, both of which are currently empty:

TOTALS

Duty	Tax	ADD	CVD	Fees	Total

Monthly Date Total

Duty	Tax	ADD	CVD	Fees	Total

A red box highlights the text 'PARTIAL RESULTS' in the report content.

The next steps are to format the cell so it looks the same as the original.

Click on the "Format" menu. The sub-menu "Border" should be chosen next. Click on the first symbol which represents the removal of all borders around the blank cell that was created.

Finally, the far left sub-menu has the "Alignment". Click on the "Center" symbol and the text will move to the correct position.

Please remember that all changes to the new "Blank Cell" require the new cell to be selected when making the changes. If another cell, table or nothing is selected then the results will not be as expected.
