

Title: Electronics Centers of Excellence and Expertise Team Codes, Accelerated Roll Out and Points of Contact

To: Automated Broker Interface, ACE Outreach Events, ACE Portal Accounts, ACE Reports

On January 15, 2014, CSMS Message Number 14-000033 was issued to provide notice of the ten team codes assigned to each of the ten Centers of Excellence and Expertise (Centers). The team numbers assigned to the Electronics Center are 007, 017, 027, 037, 047, 057, 067, 077, 087 and 097. In order to maintain uniformity amongst all Centers the Electronics Center will utilize team numbers 007, 017 and 027 for participating Center accounts (i.e., accounts that volunteered to participate in the Center under the Federal Register Notice and are required to provide virtual submission of documents to the Center). The remaining Electronics Center team codes will be used to identify when port import specialist teams and corresponding industry workload have transitioned to the Electronics Center.

On January 20, 2015, CSMS Message Number 15-000040 was issued to provide notice of Delegation Order Number 14-004, which delegates all authorities provided for in Title 19, Code of Federal Regulations that are vested in Port Directors to Directors Centers of Excellence and Expertise (Center Directors). CSMS 15-000040 further provides that effective January 28, 2015, the Electronics Center will assume trade authority for post-release trade processes of entry summaries in certain ports. The chart below provides the list of ports that will transition to the Electronics Center, the effective date for the transition and the Electronics Center team code that will be implemented on the effective transition date.

Additional messages will be issued as the Electronics Center expands to other ports of entry to provide a clear effective date and Electronics Center team code for each port. There are no changes in the document submission requirements for entry summaries with the listed CEE Team Codes. When the CEE Team Codes of 037, 047, 057, 067, 077, are identified the Electronics Center Validation and Compliance Division will provide oversight for the post-release processing.

The Electronics Center is comprised of three Divisions: Enforcement (all industry enforcement issues under team code 087); Partnership (all participating accounts under team codes 007, 017, 027); and, Validation and Compliance (all remaining industry work under team codes 037, 047, 057, 067, 077).
